who is to blame for the way that you are, the things that you s ay and

all the things that you do.

who is to blame for the way that you feel, the way that your li  $\operatorname{ving}$  and  $\operatorname{}$ 

the way that you deal.

who is right when everyone is wrong was it fate that brought yo u here

against all your wishes

who is to blame for the way that you are was it parental supervision or

the lack thereof

i get down when i'm loaded
down when i'm loaded
oh i get down

who is to blame for the reasons you feel like it's an all or no thing

kind of situation

who is right when everyone is wrong was it fate that brought yo  $\boldsymbol{u}$  here

against all your wishes

it's the sound of super sad
it's the kind of shit that makes me angry
your bad, oh waisting your time, your irresponsibility

yeah, so educated, sooooo

i get down when i'm loaded
down when i'm loaded
oh i get down
i get down when i'm loaded
down when i'm loaded
oh i get down
