

# Take What You Want

ONE OK ROCK

Take what you want  
Take what you want and go

I don't want anything in our broken home  
Not the memories or the things we own  
Not the picture of us on the wall  
So take what you want

Can you hear me□  
I'm trying to hear you  
Silence strikes like a hurricane  
Now I'm singing for you  
You're screaming at me  
It's hard to see your tears in the pouring rain

Take what you want  
Take what you want and go / x3  
Just go now just go, go, go

Still remember a time when you felt like home  
You and me up against the great unknown  
You were my life, now you're out of my life  
Yeah I guess that's life

Can you hear me□  
I'm trying to hear you  
Silence strikes like a hurricane  
I'm singing for you  
You're screaming at me  
It's hard to see your tears in the pouring rain

Take it  
No reason for me to hold on  
(Look in my eyes I'm letting go)  
Keep it  
Don't need it, don't need it, don't need it□  
Take what you want, take what you want and go

Can you hear me□  
I'm trying to hear you  
Silence strikes like a hurricane  
Now I'm singing for you  
You're screaming at me  
It's hard to see your tears in the pouring rain

Take what you want, take what you want and go  
Can you hear me□
