

They will grab you with their open hands,
Reaching for a chance to expand their lies,
Keep your head down,
Mind yourself,
Make sure that you keep all your thoughts inside.
They speak their truth but telling lies,
Forcing us all down until we see their ways,
The stations on
Let's prepare to operate,
Let's watch the world go up in flames.

Turn on
Burn out.
Turned on
Burned out.

Here they come,
They're rushing in now here to save the day.
I gave them my precise location.
I hope they're on the way.

Why should I go on?
