

# Love You In Those Jeans

P9

Ooo wee  
You're lookin' so mean  
Why you wanna go and do that in those jeans  
Why you wanna do like that in those jeans?

I saw you out again  
Shoppin' with your friends  
Pickin' up designer brands  
(Yeah, yeah, yeah)

What you really need to know  
Is you don't even have to go  
Yeah, you can save all your dough  
(Yeah, yeah, yeah)

'Cause you look so good in sweats  
Or in a sexy little dress  
But it's those jeans I can't forget  
(Yeah, yeah, yeah)

Got me wishin' you were mine  
When you're already mine  
No, you don't have to try  
'Cause you're perfect in my eyes

Yeah, so incredible  
Dressed from head to toe  
It all looks good to me  
But I love you in those jeans

It doesn't matter what you wear  
No, I don't really care  
It all looks good to me  
You're making me go

Ooo, ooo  
Baby look at you you  
What ya tryina' do do  
They're fittin' you so mean  
I love you in those jeans

Ooo  
Baby look at you, you  
What ya tryina' do do  
They're fitting you so mean  
I love you in those jeans

You always look the best  
There's no need to impress  
'Cause you're the only one that I see  
(Yeah, yeah, yeah)

And when we were just hangin' out  
There really ain't a doubt  
That you can just let it free  
(Yeah, yeah, yeah)

I love you natural  
It doesn't matter where we go  
'Cause you stay beautiful to me  
(Yeah, yeah, yeah)

Got me wishin' you were mine
