

# Dancing With Demons

Palisades

I'm out here searching for a person with a meaning  
I got a feeling I don't wanna find the truth  
Don't wanna waste it, wanna taste it when I'm sleeping  
But I see the devil's work in everything I do

And there's so much left for me to prove  
But there's so much left for me to lose  
And I beat myself up black and blue  
What have I become? What am I to do?

Can you tell that I'm dead inside?  
If you only knew

And I can't find my way back to you  
No I can't find my way back to you  
If you only knew

I'm up here cursing out the man that's in the mirror  
I try to shake him but he follows every move  
I'm going crazy fighting battles with a shadow  
Dance with the demons cause they play my favorite tune

And there's so much left for me to prove  
But there's so much left for me to lose  
I fall further now with every bruise  
What have I become? What am I to do?

And I can't find my way back to you  
No I can't find my way back to you  
If you only knew  
What I have inside  
What I've turned into  
Couldn't see the signs  
Now I can't find my way back to you  
If you only knew

Back to you!  
You!

And I can't find my way back to you  
No I can't find my way back to you  
If you only knew  
What I have inside  
What I've turned into  
Couldn't see the signs  
Now I can't find my way back to you  
If you only knew
