

## Rid the Womb

### Pathology

as I plant my seed  
into your womb  
into your womb  
I plant my seed

the reaction gestates  
partial hemorrhaging incurres  
rid the womb

stomachs pulsate and contract  
inards- inards- inards - gone

as I plant my seed  
into your womb  
into your womb  
I plant my seed

as you lay opened up  
viscera fills your mouth  
twenty one grams you leave  
your soul to peace . . .

breathing- gasping  
gasping- choking
