

# Free Money

Patti Smith

Every night before I go to sleep  
Find a ticket, win a lottery  
Scoop the pearls up from the sea  
Cash them in and buy you all the things you need.  
Every night before I rest my head  
See those dollar bills go swirling 'round my bed.  
I know they're stolen, but I don't feel bad.  
I take that money, buy you things you never had.  
Oh, baby, it would mean so much to me  
Oh, baby, to buy you all the things you need for free.

I'll buy you a jet plane, baby,  
Get you on a higher plane to a jet stream  
And take you through the stratosphere,  
And check out the planets there and then take you down  
Deep where it's hot, hot in Arabia, babia, then cool, cold fields of  
snow  
And we'll roll, dream, roll, dream, roll, roll, dream, dream.  
When we dream it, when we dream it, when we dream it,  
We'll dream it, dream it for free, free money,  
Free money, free money, free money, free money, free money, free mone  
y.

Every night before I go to sleep  
Find a ticket, win a lottery.  
Every night before I rest my head  
See those dollar bills go swirling 'round my bed.  
Oh, baby, it would mean so much to me,  
Baby, I know our troubles will be gone.  
Oh, I know our troubles will be gone, goin' gone  
If we dream, dream, dream for free.  
And when we dream it, when we dream it, when we dream it,  
Let's dream it, we'll dream it for free, free money,

Free money, free money, free money,  
Free money, free money, free money, free.
