

# Somedays

Paul McCartney

1. Somedays I look

I look at you with eyes that shine

Somedays I don't

I don't believe that you are mine

It's no good asking me what time of day it is

Who won the match or scored the goal

Somedays I look

Somedays I look into your soul

2. Sometimes I laugh

I laugh to think how young we were

Sometimes it's hard

It's hard to know which way to turn

Don't ask me where I found that picture on the wall

How much it cost or what it's worth

Sometimes I laugh

I laugh to think how young we were

R: We don't need anybody else to tell us what is real

Inside each one of us is love, and we know how it feels

3. Somedays I cry

I cry for those who live in fear

Somedays I don't

I don't remember why I'm here

No use reminding me, it's just the way it is

Who ran the race or came in first

Somedays I cry

I cry for those who fear the worst

R: We don't need anybody else...

4. Somedays I look

I look at you with eyes that shine

Somedays I don't

I don't believe that you are mine

It's no good asking me what time of day it is

Who won the match or scored the goal

Somedays I look

Somedays I look into your soul
