

Holy Ground

Paul Oakley

Standing on holy ground
Mercy and grace I've found
I'm here before your throne now
By a new and living way

Jesus I come to you
Lift up my eyes to you
How you've comforted me
And now I long to see your face

(1st Chorus)

You are my strength, my song
You are my shield, my redeemer
You are my hope, my salvation and my God

I'll always bring my praise to you O God

(2nd Chorus)

You are my strength, my song
You are my shield, my redeemer
You are my hope, my salvation and my God
So I will sing to you
Beautiful things you have done
Great is your name in Zion, Holy One
I'll always bring my praise to you O God
