

I Will Never Be The Same

Paul Oakley

I will never be the same
Now that I have seen the cross
And how You took upon Yourself
The fullness of the wrath of God
And I may never understand
Just what You suffered in my place
Jesus You who knew no sin
How You were made sin for us

And oh how fierce the Father's anger
And though You were pierced
All the pain could not compare
So dark was the hour
When all heaven turned it's face away
Turned it's face away from You
How sweet is Your mercy
As it finds it's way to me
