

Sweet Little Sixteen

Pavel Bobek

They're really rocking at band-stands
Pittsbourg, PA.
Beep in the heart of Texas
Out on the Frisco Bay
All over St.Louis
Way down in New Orleans
All the cats are gonna dance with
The sweet little sixteen

Sweet little sixteen
She just oughta have
Abou half a million
Signed autographs
Her wall is full of pictures
She 's got them one by one
Becomes so exciting
Just look at the run, boy

Oh Mummie, Mummie
Please may I go
It's such a sight to see
Somebody steel the show
Oh Daddy, Daddy
I beg of you
Whisper to Mummie
It's alright with you

Cos they 're all rocking at bandstands
Pittsbourg, PA.
Deep in the heart of texas
Out on the Frisco Bay
All over St.Louis
Way down in New Orleans
All the cats're gonna dance with
The sweet little sixteen

Sweet little sixteen
She's got grown up blues
Tight dresses and lipstick
She's sporting hi-heel shoes
But tomorrow morning
She's got to change the train
Be sweet sixteen
Back in the class again

Cos they're all rocking at bandstands
Philadelphia, PA.
Deep in the heart of Texas
Out on the Frisco Bay
All over St.Louis
Way down in New Orleans
All the cats're gonna dance with
The Sweet Little Sixteen
