

Gangsters & Pranksters

Pavement

Donnybrook between two gangsters And a bunch of merry pranksters

Two against a .22 Well who d'ya think is gonna win that Fight..
. fight?

Ten to one it's the gangsters Those pranksters, they can't even
fight

Gangsters like their knuckles bloody Pranksters spike the drinks
of their buddies

Gangsters treat their ladies right And pranksters curse their
chickless plights (Aw man, there's no...dames)

I've got all this Harvard LSD Why won't anyone fuck me?!
