

Leash

Pearl Jam

Troubled souls unite we got ourselves tonight
I am fuel you are friends we got the means to make amends
I am lost I'm no guide but I'm by your side
I am right by your side

Young lover I stand
It was their idea I proved to be a man
Take my fucking hand
It was their idea I proved to be a man
Will myself to find a home a home within myself
We will find a way we will find our place

Drop the leash drop the leash
Get outta' my fuckin' face

Drop the leash, we are young
Oh, get outta' my fuckin' face
Drop the leash, drop the leash
Get outta' my, my

Delight, delight, delight in our youth
Get outta' my fuckin' face
