

## Jo-Anna Says

Per Gessle

Monday

Jo-Anna spends an hour with her magazine  
The day is kinda grey and so lazy  
She goes ah-ah-ah-ah-ah...  
And hey boy  
Jo-Anna's in the mirror in her dressing gown  
Talking to a friend who lives uptown  
She goes ah-ah-ah-ah-ah...

My love... and beyond  
Oh, I wish she was  
My love... and beyond

Jo-Anna says - I'm not the only one  
Jo-Anna says - I'll never be the one  
But when she smiles there's something in her eyes  
That tells me I'm not like the other guys  
Jo-Anna says - I have to give it time  
Jo-Anna says - You just gotta make up my mind  
Jo-Anna says - I have to wait in the line  
And come back tomorrow

Monday

Sitting in a window in a cheap hotel  
Lighting up the room with a candle, candle, candle  
I go ah-ah-ah-ah-ah...  
Hey boy  
She says that I'm a mess any given day  
But laughs as she leaves for a party  
I go ah-ah-ah-ah-ah...

Jo-Anna says - I'm not the only one  
Jo-Anna says - I'll never be the one  
But when she smiles there's something in her eyes  
That tells me I'm not like the other guys  
Jo-Anna says - I have to give it time  
Jo-Anna says - you just gotta make up my mind  
Jo-Anna says - I have to stand in the line  
And come back tomorrow yeah

Oh oh oh oh  
Hey Jo-Anna  
Oh oh oh oh...

My love... and beyond  
Oh, I wish she was  
My love... and beyond, beyond

Jo-Anna says - I'm not the only one  
Jo-Anna says - I'll never be the one  
But when she smiles there's something in her eyes  
That tells me I'm not like the other guys  
Jo-Anna says - I have to give it time  
Jo-Anna says - You just gotta make up my mind  
Jo-Anna says - I have to stand in the line  
And come back tomorrow, yeah

I'm not the only one  
I'll never be the one  
Hey hey Jo-Anna

Jo-Anna says - I have to give it time  
Jo-Anna says - You just gotta make up my mind  
Jo-Anna says - I have to stand in the line  
And come back tomorrow oh oh oh oh

Jo-Anna says  
Jo-Anna says  
I never be the one  
Jo-Anna says  
Hey Jo-Anna  
Hey Jo-Anna  
Jo-Anna says  
Yea yea yea yeaaaaah
