

# You Can Be Sure

Peter Frampton

You don't have to be a dreamer  
To see a better day  
You have to be a believer  
Just to find a better way  
Don't sit in your seclusion  
Safely watching from afar

I, don't know why (ooh)  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you (yeah, yeah)

You know, when you feel defenceless  
And it brings you to your knees  
Don't keep on retreating  
What can I do to make you see?

I, don't know why  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you (yeah)

I, don't know why  
We don't learn from what's gone by  
You can be sure  
I'll be with you till the end  
You take my word  
More than this I can promise you

You can be sure  
I'll be with you till the end  
Please take my word  
Don't you know, you can count on me?  
I will always be  
there for you
