

Lime and limpid green
a second scene
A fight between the blue
you once knew.
Floating down the sound resounds.
Around the icy waters underground
Jupiter and Saturn, Oberon, Miranda
and Titana, Neptune, Titan
Stars can frighten...

Blinding signs flap, flicker, flicker, flicker,
Blam pow pow
Stairway scare Dan Dare who's there...

Lime and limpid green
The sounds around the icy waters under
Lime and limpid green
The sounds around the icy waters
Underground...
