

Birthday

Pixie Lott

Oh, oh, oh, oh
Oh, oh, oh, oh

Felt like I was having one of those days,
When nothing goes right, so I drift away,
Stuck with my back up against the wall,
Didn't know it was you I was waiting for,
Close to tears I was stressing out,
With you I forgot what I worry about,
Take your time well at least you here,
And all the drama's disappeared,

Oh, you saved my life, you saved my life,

It started out as the worst day,
But now you got me feeling like it's my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)

Wanted to party oh Bacardi and coke OK,
I get excited when I know that I'll see your face,
We can stay at home cause it's just as fun,
And if it's an issue you can be my plus one,
Now I know there's nothing that I can't do,
I'm pretty sure that it's something to do with you,
Take your time well at least you here,
And all the drama's disappeared,

Oh, you saved my life you saved my life,

It started out as the worst day,
But now you got me feeling like it's my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)

You pick me up when I'm down and you turn it all around,
I just can't get enough,
My feet don't touch the ground,
I just can't get enough,
When you holding me tight it'll all be alright inside,
It's my fucking birthday,

It started out as the worst day,
But now you got me feeling like it's my birthday,
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)
You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
Wanting to play with my life line,
Till you came along and brought a piece of sunshine
You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)

You got me like oh, oh, oh, oh, oh, oh (it's my birthday)

oh, oh, oh, oh, oh, oh (it's my birthday) [x2]

Wanting to play with my life line,

Till you came along and brought a piece of sunshine

You got me singing like oh, oh, oh, oh, oh, oh (it's my birthday)

You got me like oh, oh, oh, oh, oh, oh (it's my birthday)
