

Uh Huh Her

PJ Harvey

Re rejection
Re rejection
Re rejection

Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her

The valley is crying
Don't ask me
Why it's grieving

Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her

I fill the sea
All with my tears
I drown the fields
You will remember, remember me

The valley is crying
The valley is grieving
He is, he's leaving
Abandoning me

Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her
Don't marry, uh, huh, her
Don't marry, uh, huh, huh, her

I fill the sea
All with my tears
I drown the fields
You will remember, remember me
