

Pretty Tall Girls

Poni Hoax

Pretty tall girl
I know you sight upon a city
You are embarrassed with your body
Pretty tall girls
I know you sight upon a city
You are embarrassed with your body
1, 2, 3, 4, I know how you are feeling
The way you are going to sleep
And I know how you are feeling
Watching your tall TV
Pretty tall girls

Fat witty girls
I carried away across the city
You are embarrassed with the body

Watching your tall TV
