

# Demons Are a Girl's Best Friend

Powerwolf

Beware the night  
Beware the night before the dawn  
Beware the dark when light is gone  
For there's a phantom lust awake  
They wanna' make you bend and scream  
They want to take your hand  
And lead you in the light of venus girl  
Come let them take you for a ride  
Forget the lord and cross tonight  
And let your carnal lust prevail tonight

Oh oh oh ohohoh  
Demons come at night and they bring the end  
Oh oh oh ohohoh  
Demons are a girl's best friend

Oh oh oh ohohoh  
Demons come to life and they take command  
Oh oh oh ohohoh  
Demons are a girl's best friend

Beware the fire  
Beware the fire in their eyes  
Beware of former driven lies  
For there's a truth behind the veil  
They make you part of blackened rites  
For take the crave between your thighs  
Your empty dawn of evil girl  
Come resurrect into the sky  
And wave all innocence goodbye  
And let desire take command tonight

Oh oh oh ohohoh  
Demons come at night and they bring the end  
Oh oh oh ohohoh  
Demons are a girl's best friend

Oh oh oh ohohoh  
Demons come to life and they take command  
Oh oh oh ohohoh  
Demons are a girl's best friend

And when your sleep is haunted in the night  
Well don't you dare to seek for carnal light  
'Cause in the dark the demons come as carnal dynamite

Oh oh oh ohohoh  
Demons come at night, come and take her hand  
Oh oh oh ohohoh  
Demons are a girl's best friend  
Oh oh oh ohohoh  
Demons treat her thighs, come and make their stand  
Oh oh oh ohohoh  
Demons are a girl's best friend
