If you want this heart of mine  
Take it slow it's hard to find  
No one knows the things I feel  
Don't look back, don't look back

What am I suppose to say  
In this situations  
You know a need to stay  
Don't look back, don't look back

I wish I could say this was easy  
It's getting harder to find me out  
I know I'm a baby, baby  
Without you I'm lost without

I want to go home  
Cause you are my home  
I want to go home  
Cause you are my home

Now you know the awful truth  
I can't live without you  
If you walk out my door  
Don't look back, don't look back

I could never be this same girl  
I could never carry the world  
Without you my heart would die  
Don't look back, don't look back

I wish I could say this was easy  
It's getting harder to find me out  
I know I'm a baby, baby  
Without you I'm lost without

I want to go home  
Cause you are my home  
I want to go home  
Cause you are my home  
I want to go home  
Cause you are my home  
I want to go home  
Cause you are my home

I wish I could say this was easy  
It's getting harder to find me out  
I know I'm your baby baby  
Without you I'm lost without
