## **Happy Fucking New Year**

## Psychostick

You know that I know that we both know how resolutions and You know that you are gonna give up yet you still pretend You can't deny the fact that your convictions bend and break All you'll abandon every promise that you ever make [Pre-chorus] You're not gonna see it through We know what you're gonna do (You're gonna fail) You're not gonna see it through (You're gonna fail) We know what I say is true [Chorus] Happy New Year's Day 2002 and 3 were just like 4 and 5 and 6 Happy New Year's day You just remind yourself of all the stuff you'll never fix You know that I know as well as you do it's not gonna last Did you forget results of resolutions from the past? File your intentions out of sight and out of mind You'll never follow through with promises of any kind [Pre-chorus] [Chorus] Happy Fucking New Year
