

## If I Could Love You

Puddle of Mudd

Like a son taking in by the wind  
Everybody wants to give in  
Something about a second chance  
Can't you help me out?

If I could love you (3x)

Through the wind I can feel  
Through the trees I can steal  
But you never ever want to see my way  
But we're here in the dark and the dogs starting to bark  
Cause I'm selfish and you'll never get your way, it's okay

If I could love (3x)

Somethings going on in me that you never wanna see  
I think somethings wrong with you  
But you know that I love you  
You don't seem to be around even when everything's going down  
Why don't you wanna feel my pain?

If I could love you  
You're driving me crazy, crazy, crazy BABY!
