Every day I wake up I hope I'm dreamin I can't believe this shit Can't believe you ain't here Sometimes it's just hard for a nigga to wake up It's hard to just keep goin It's like I feel empty inside without you bein here I would do anything man, to bring you back I'd give all this shit, shit the whole knot I saw your son today He look just like you You was the greatest You'll always be the greatest I miss you Big Can't wait til that day, when I see your face again I can't wait til that day, when I see your face again...

Yeah... this right here (tell me why)
Goes out, to everyone, that has lost someone
That they truly loved (c'mon, check it out)

Seems like yesterday we used to rock the show I laced the track, you locked the flow So far from hangin on the block for dough Notorious, they got to know that Life ain't always what it seem to be (uh-uh) Words can't express what you mean to me Even though you're gone, we still a team Through your family, I'll fulfill your dream (that's right) In the future, can't wait to see If you open up the gates for me Reminisce some time, the night they took my friend (uh-huh) Try to black it out, but it plays again When it's real, feelings hard to conceal Can't imagine all the pain I feel Give anything to hear half your breath (half your breath) I know you still living your life, after death

R: Every step I take, every move I make
Every single day, every time I pray
I'll be missing you
Thinkin of the day, when you went away
What a life to take, what a bond to break
I'll be missing you

I miss you Big

It's kinda hard with you not around (yeah)
Know you in heaven smilin down (eheh)
Watchin us while we pray for you
Every day we pray for you
Til the day we meet again
In my heart is where I'll keep you friend
Memories give me the strength I need (uh-huh) to proceed
Strength I need to believe
My thoughts Big I just can't define (can't define)
Wish I could turn back the hands of time

Us in the 6, shop for new clothes and kicks
You and me taking flicks
Makin hits, stages they receive you on
I still can't believe you're gone (can't believe you're gone)
Give anything to hear half your breath (half your breath)
I know you still living you're life, after death

R:

Somebody tell me why

On that morning When this life is over I know I'll see your face

Every night I pray, every step I take Every move I make, every single day Every night I pray, every step I take Every day that passes
Every move I make, every single day Is a day that I get closer
To seeing you again
Every night I pray, every step I take We miss you Big... and we won't stop Every move I make, every single day Cause we can't stop... that's right Every night I pray, every step I take Every move I make, every single day We miss you Big
