Rock you, I got you  
Tru dat, now who dat?  
But you at? Brandy

The Q joint, the new point  
The funk fellas ???  
R&B and Rap fanatic  
Smooth criminals  
Ooh wee we lovable, huggable, snuggable  
DFC  
H to the E to the A to the V to the Y  
Brandy sweet like candy, get fly

Boy, close your eyes  
Let the rhythm get into you  
Don't try to fight it  
There ain't nothing that you can do, oh oh

Relax your mind  
Lay back and groove with my mine  
You gotta feel that heat  
And we can ride the boogie  
Share that beat of love

I wanna rock with you (all the night)  
Dance you into day ('til the sunlight)  
I wanna rock with you (all the night)  
Rock the night away

Boy, out on the floor  
There ain't nobody there but us  
Boy, when you dance, when you dance  
There's a magic that must be love, oh oooh

Just take it slow, uh  
We got so far to go  
When you feel that heat  
And we're gonna ride the boogie  
Share that beat of love

And when the groove is dead and gone (dead and gone)  
You know that love survives  
And we can rock forever, oh whoa oh

Overseas trashin'  
My passion for Hip Hop  
???  
I clock dollas and a rip spot  
Make moves, smooth do's like Q  
Attract fly honeys with exotic  
??? and money  
I can make it hotter  
???  
Freshman, so don't test me  
You go 1, 2, 3 and B's in da house  
And I'm out
