Settle for Nothing

Rage Against the Machine

A jail cell is freedom From the pain in my home Hatred passed on, passed on And passed on

A world of violent rage But it's one that I can recognize Having never seen the color Of my father's eyes

Yes, I dwell in hell
But it's a hell that I can grip
I tried to grip my family
But I slipped

To escape from the pain In an existence mundane I gotta 9, a sign, a set And now I gotta name

Read my writing on the wall
No one's here to catch me when I fall
Death is on my side, suicide

A jail cell is freedom From the pain in my home Hatred passed on, passed on And passed on

A world of violent rage But it's one that I can recognize Having never seen the color Of my father's eyes

Yes, I dwell in hell
But it's a hell that I can grip
I tried to grip my family
But I slipped

To escape from the pain In an existence mundane I gotta 9, a sign, a set And now I gotta name

Read my writing on the wall No one's here to catch me when I fall Caught between my culture And the system, genocide

Read my writing on the wall No one's here to catch me when I fall If ignorance is bliss Then knock the smile off my face, yeah

If we don't take action now We settle for nothing later Settle for nothing now

And we'll settle for nothing later

If we don't take action now
We settle for nothing later
We'll settle for nothing now
And we'll settle for nothing later

If we don't take action now
We'll settle for nothing later
We settle for nothing now
And we'll settle for nothing later

If we don't take action now
We settle for nothing later
We'll settle for nothing now
And we'll settle for nothing later
