

Stop By

Rahsaan Patterson

Mmh, no, no
Babe, babe
Baby, baby

I been missin' you
Baby, mmh
I been missin'
Your heavenly eyes
I was thinkin' that maybe
You'd wanna come
And play awhile
I been wantin'
To touch you, yeah
I been wantin'
To spend a little time
I been dyin' to make love
To you again
Like we did last night

So, baby, won't you
Ooh, come around my way
Baby, stop by
Ooh, come around my way
Baby, stop by

I ain't never had a bad love
Feel so good in all my life
I realize now I love you
And that I don't wanna
Ever say good-bye
Ever since the first time
You've been blowin' my mind
You got me up in cloud nine
Fallin' deeper
In love with you, oh
Your love is so amazing?
Fallin' head
Over heels for you

So, baby, won't you
Ooh, come around my way
Baby, stop by
Ooh, come around my way
Baby, stop by
Ooh, come around my way
Baby, stop by
Stop by, stop by
Ooh, come around my way
Baby, stop by
Yeah, yeah, yeah

The sun
Shines much brighter
Baby
Now that you've come my way
I just can't get over
The way that this love

Is makin' me feel
Oh, yeah

Ooh, come around my way
Baby, stop by
