

# Never Give You Up

Raphael Saadiq

She's so sexy,  
The way she talks, the way she walks,  
It really drives me crazy,  
I think I like the girl,  
And sure is the moment,  
She takes her time and does it right,  
Cause she's not just the average,  
I really like you girl,

And there's something about her lips,  
The way she kiss, the way she rocks them hips y'all,  
I see I like you sugar,  
Oh then she'll look and it's so sweet,  
It knocks me right up off my feet, oh baby,  
See I like you sugar,

Girl, I'll never give you up,  
Cause ain't no other good enough,  
And nothing can compare to you,  
I've waited all my life to be with you,  
Oh, here I stand and when I fall,  
Only you back for more,  
Greatest love I've ever seen,  
I love you love, this can't be beat,

Girl you got me thinkin' about you every day,  
And I can plainly know,  
I wanna say her touch, her smile, keeps me livin' right,  
I gotta say she's the best of me,

I guess I tried and tried to hide the way I feel,  
I can't explain it, it's just too damn good,  
So I can tell the world,  
You got my heart, I love your mind design

Girl, I'll never give you up,  
Cause ain't no other good enough,  
And nothing can compare to you,  
I've waited all my life to be with you,  
Oh, here I stand and when I fall,  
Only you back for more,  
Every thing she does is sweet, she knocks me on my feet,

That girl, um, um alright, alright,  
(I'd like to invite Mr Stevie Wonder to my album, come on Stevie)  
HARMONICA SOLO

Girl, I'll never give you up,  
Cause ain't no other good enough,  
And nothing can compare to you,  
I've waited all my life to be with you,  
Oh, here I stand and when I fall,  
Only you back for more,  
Your love is so unique, you knock me on my feet, baby,

Girl, I'll never give you up,  
Cause ain't no other good enough,

And nothing can compare to you,  
I've waited all my life to be with you,  
Oh, here I stand and when I fall,  
Only you back for more,  
Your love is so divine, you're always on my mind
