

Crying Time

Raul Malo

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Well, they say that absence makes the heart grow fonder
And that tears are only rain to make love grow
Well, my love for you could never grow no stronger
If I lived to be a hundred years old

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time

Now you say you've found someone that you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out that door

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's crying time
I can tell by the way you hold me, darling
That it won't be long before it's crying time
