

# Leave Me Alone

Razorlight

Oh when did you decide  
To start living like it's suicide  
And wasting all my time  
And messing up my mind  
Oh now darling please leave me alone  
I'm so tired I wanna be on my own  
But you come on calling on my telephone  
And I wish I could show you somewhere better  
Better to go

And when you get there  
Well if you freak them all out  
With your sweatshop charm  
You'll leave them in no doubt

And when you get challenged  
You'll only lie about your age  
But it's the distance you travel  
And the fields you unravel  
And all the bars on your cage

Oh now darling please leave me alone  
I'm so tired I wanna be on my own  
But you come on calling on my telephone  
And I wish I could show you somewhere better  
Better, better, better to go

To somewhere else  
Somewhere else, somewhere else

Oh you've got to...  
Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone  
Oh just leave me alone  
What don't you understand  
Just leave me alone  
What don't you understand!  
What is there to understand?  
Just leave me alone  
Just leave me alone  
Just leave me alone  
Just leave me alone
