

# Motel Cowboy Show

Reckless Kelly

Hey Ol' Lady let's go  
To the Motel Cowboy Show  
We'll drink and dance  
There's no place else to go  
We'll stay out all night long  
We'll toast the break of dawn  
Hey Ol' Lady let's go  
To the Motel Cowboy Show

Well they rolled one for the road  
Put on the same dirty ol' clothes  
Down the trail they rode  
To the Motel Cowboy Show  
Well they parked at the end of the line  
Underneath the cold beer sign  
It's a long long way to ride  
Without your whiskey and your wine  
Something stronger would be fine  
Something stronger would be fine

I said Hey Ol' Lady lets go  
To the Motel Cowboy Show  
We'll drink and dance  
There's no place else to go  
We'll hang out all night long  
We'll toast the break of dawn  
Hey Ol' Lady let's go  
To the Motel Cowboy Show

Well they walked through the swingin' doors  
Through the sawdust on the floor  
Everybody was ready to go  
At the Motel Cowboy Show

Well they've been all over the land  
Not bad for a honky tonk band  
Well it's a long hard hill to climb  
When you're so far ahead of time  
And you've never seen a dime  
You're so far ahead of your time

Hey Ol' Lady lets go  
To the Motel Cowboy Show  
It's late but there ain't nowhere else to go  
We'll hang out all night long  
We'll toast the break of dawn  
Hey Ol' Lady let's go  
To the Motel Cowboy Show

Well the doses soon kicked in  
And the fun would soon begin  
The fun would soon begin

And the world did a great big spin  
Ooooh baby it's fun  
It ain't no sin

I know you well  
You don't remember  
We partied way back in November  
Of '72 or was it '73  
I know you well  
You don't remember me

All the faces changed  
And the room went round  
What a mystic place  
What a mystic sound

Well they rolled one for the road  
And they candied up their nose  
Down the trail they rode  
To the Motel Cowboy Show

Hey Ol' Lady let's go  
To the Motel Cowboy Show  
We'll drink and dance  
There's no place else to go  
The boys are in their prime  
We'll see 'em one more time

Hey Ol' Lady let's go  
To the Motel Cowboy Show
