

# Blink

## Revive

Teach me to number my days  
And count every moment  
Before it slips away  
Take in all the colors  
Before they fade to grey

I don't want to miss  
Even just a second  
More of this

It happens in a blink, it happens in a flash  
It happens in the time it took to look back  
I try to hold on tight, but there's no stopping time  
What is it I've done with my life?

It happens in a blink  
It happens in a blink

When it's all said and done  
No one remembers  
How far we have run  
The only thing that matters  
Is how we have loved

I don't want to miss  
Even just a second  
More of this

It happens in a blink, it happens in a flash  
It happens in the time it took to look back  
I try to hold on tight, but there's no stopping time  
What is it I've done with my life?

It happens in a blink  
It happens in a blink  
It happens in a blink  
It happens in a blink

Slow down  
Slow down  
Before today becomes  
Our yesterday

Slow down  
Slow down  
Before you turn around  
And it's too late

It happens in a blink, it happens in a flash  
It happens in the time it took to look back  
I try to hold on tight, but there's no stopping time  
What is it I've done with my life?

It happens in a blink, it happens in a flash  
It happens in the time it took to look back  
I try to hold on tight, but there's no stopping time  
What is it I've done with my life?

It happens in a blink  
It happens in a blink  
It happens in a blink  
It happens in a blink
