

# He's Able

Richard Smallwood

Don't you know  
Don't you know it  
Don't you know  
Don't you know that He's able  
Able  
So glad  
He's able  
Able  
O, Able  
So glad  
He's able

When doubts and fears  
Keep messing with your mind  
Hold on  
(Hold on)  
And, peace you just can't seem to find  
Keep on holding on  
(Hold on 'til tomorrow, well)  
Jesus is standing right there  
Waiting just to hear your prayer

Able  
Able  
So glad  
He's able  
Able  
O, Able  
So glad  
He's able

No matter how hard  
Surely, He's able  
He standing there  
Waiting to help you  
Don't need to worry  
His love is good enough  
He never fails  
Surely  
Surely  
Surely  
Surely  
Surely  
Surely

Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able

Don't you know  
Don't you know it  
Don't you know  
Don't you know  
Don't you know it  
Don't you know

Don't you know  
Don't you know it  
Don't you know that's He's

Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able  
Glad, I'm glad that He's able

I'm mighty glad  
I'm mighty glad  
I'm, I'm I'm glad  
He's able  
I'm I'm glad that He's able
