

Traffic jams, Concorde drones  
TV's and radios drown me out  
You won't change slamming doors  
Temper, temper, that tongue of yours, drown me out

I've told you once when it comes to love  
I'm like a swan, I only love once  
I've told you once push comes to shove  
I'm like a swan  
I only love, only love, only love once

Dumbells crash, babies cry  
A thousand voices, mostly lies, drown me out  
The underground, Marble Arch  
The deafening snap of breaking hearts, drown me out

I've told you once when it comes to love  
I'm like a swan, I only love once  
I've told you once push comes to shove  
I'm like a swan  
I only love, only love, only love once

Barking dogs, the lonely roam  
The great unlaidd making their way home, drown me out

I've told you once when it comes to love  
I'm like a swan, I only love once  
I've told you once push comes to shove  
I'm like a swan  
I only love, only love, only love once

I've told you once when it comes to love  
I'm like a swan, I only love once  
I've told you once push comes to shove  
I'm like a swan  
I only love, only love, only love once
