

# Eyes Of Eternity

Rob Rock

Feeling the eyes that are roaming the earth  
Desperate hearts that are cursed from their birth  
I want to be there when we know the reasons why  
The tragedy and pain we carry through this life

At the end of time, I will wait for you  
Eyes of Eternity will open

Live for today because tomorrow is gone  
Changing the course of the road that you're on  
I know you'll be there if we go our separate ways  
We'll find the answers to the questions that we crave

At the end of time, I will wait for you  
Eyes of Eternity will open  
On the other side, I'll be there for you  
Eyes of Eternity have spoken

Crossing the night I will face it alone  
Stand at the gates of the spiritual realm  
I'm going to be there when the eyes begin to shine  
Illuminating explanations for this life

At the end of time, I will wait for you  
Eyes of Eternity will open  
On the other side, I'll be there for you  
Eyes of Eternity have spoken
