## **Unbound**

## **Robbie Robertson**

With eyes of fire No one can see The smoke from the sweet grass Covers me

I am drawn
I am drawn to her
Like a moth to flame
She leads me down
unbound

I am lost
I am lost
Has anybody seen me
I am lost

Oh nothing is forgotten
Only left behind
Wherever I am
She leads me down
unbound

No borders
No fences
No walls
No borders
No fences
unbound

Oh, listen for the night chant Oh, listen for the night chant

Like a moth to flame She leads me down unbound

No borders
No fences
unbound
No borders
No fences
unbound
