Deliver Me

Robert Randolph & The Family Band

If I'm never gonna save myself
I gotta turn to someone else
I know, I know we got to get real, get real

Scene one, the cat is out the bag
(Send deliverance)
I don't know how to get him back
(Send deliverance)

There's something chunky in my chain
There's funky monkeys on my brain
And I'm about to go insane
(Send deliverance)

I got to, I got to, I got to get away
Should I, should I get on my knees and pray?
I know I, I can't make it through another day
I got to, I got to, I got to get away

Deliver me
(Before I get down)
Deliver me
(Before I get down)
Deliver me
(Before I get down)
Deliver me
(Before I get down)
Deliver me

Scene two, my symptom still remains
(Send deliverance)
My situation's under strain
(Send deliverance)

I'll have to scratch before it itch
(Send deliverance)
It cuts so deep I need a stitch
(Send deliverance)

She's sittin' heavy on the truck
And I'm straight trippin' on the skunk
If I keep sippin' I'll be done
(Send deliverance)

I got to, I got to, I got to get away
Should I, should I get on my knees and pray?
I know I, I can't make it through another day
I got to, I got to, I got to get away

Deliver me
(Before I get down)
Deliver me
(Before I get down)
Deliver me
(Here before I get down)
Deliver me
(Before I get down)

Deliver me

If I'm never gonna save myself
I gotta turn to someone else
I know, I know we got to get real, get real

If I'm never gonna find my soul
I guess I gotta lose control
I guess I'll just surrender the will, the will

I got to, I got to, I got to get away
Should I, should I get on my knees and pray?
I know I, I just can't make it through another day
I got to, I got to, I got to get away

Deliver me
(Before I get down)
Deliver me
(Before I get down, here before I get down)
Deliver me
(Before I get down)

Deliver me
(Before I get down)
Deliver me
(Here before I get down)
Deliver me
(Here before I get down)

If I'm never gonna save myself
I gotta turn to someone else
I know, I know we got to get real, get real
