

# I Don't Know How It Feels To Be U

Robin Thicke

I don't know  
I don't know  
How it feels to be you  
Though I try my best to understand what you're going through  
I don't know  
How it feels to be you

Though I try to learn your steps  
I don't know what makes you dance  
I don't know what turns your grey skies, back to blue  
Though i try to see you're side  
And swallow all my pride  
There is no way I can take a, step in your shoes

'Cause I don't know  
I don't know  
How it feels to be you  
Though I try my best to understand what you're going through  
I don't know  
How it feels to be you

So lay you're cheeks upon my chest  
Tell me everything, that hunts you're mind  
Oh wow oh oh oh  
I may not have all the answers  
But if you let me I, can at least try  
(Let me try baby)  
Uh uh uh  
And when I'm sure I've had enough  
The angels tell me just to, wait a while  
Oh oh oh  
And baby I am sorry  
For being so hard on you sometimes  
Oh yeah yeah

But I don't know  
I don't know  
How it feels to be you  
Though I try my best to understand what you're going through  
I don't know  
How it feels to be you  
Oh yeah yeah

Da da da da  
Oh!  
Da da da da  
Come on baby!  
Yeah!  
You know that I love you!  
Da da da da  
You know that I'd try baby!  
Da da da da  
You know that I need you, all my life baby!

I don't know  
I still don't know  
How it feels to be you

And everyday I ask myself  
Are we really on, the very same page  
Oh huh  
And everyday I wonder, is there something that I'm  
Supposed to say  
I wonder baby

'Cause you and I are so in time  
Maybe I'm just, picking the wrong lines  
Cause I feel it in my heart, you know I adore you  
But sometimes you can't even look me, in the eye  
Why oh why oh tell me why I don't know

I don't know  
How it feels to be you  
Though I try my best to understand what you're going through  
I don't know  
How it feels to be you  
Oh yeah yeah baby

Da da da da  
Da da da da  
Uh baby!  
Come on baby, come on  
You know that I love you  
Da da da da  
You know that I'd try baby  
Da da da da  
You know that I, need you  
All my life baby, I can't walk in your shoes  
Da da da da  
I can't keep singing your blues  
Da da da da  
You know I can't read your mind  
I can't see life through your beautiful eyes  
But you know that I love you  
Da da da da  
You know that I'd try, try try  
You know that I need you  
Tell me why baby

'Cause I don't know  
I don't know  
I still don't know  
But i try baby!  
I don't know  
I don't know  
Still don't know  
How it feels to be you  
Oh  
I don't know
