

## If Paradise Is Half As Nice

Rosetta Stone

If paradise is half as nice as heaven that you take me to  
Who needs paradise I'd rather have you.  
They say paradise is up in the stars  
But I needn't sigh because it's so far  
'Cos I know it's worth a heaven on earth  
To me where you are.

A look from your eyes  
A touch of your hand

And I seem to fly to some other land  
When you are around  
My heart always pounds  
Just like a brassband.

If paradise is half as nice as heaven that you take me to  
Who needs paradis.e I'd rather have you  
Oh yes I'd rather have you.

They say paradise is up in the stars  
But I needln't sigh because it's so far  
'Cos I know it's worth a heaven on earth  
To me where you are.

A look from your eyes a touch of your hand  
. . .

If paradise is half as nice as heaven that you take me to  
. . .
