

Sam, you were there for me  
When I was weak  
I couldn't speak  
And I don't know  
why I'm always running to you  
Sam, tell me who I am  
Do you understand what's happening?  
Oh, Sam, will you hold my hand tonight?

Sam, you defended me  
From all the people in the street  
That don't understand  
I wonder if we'll ever cross that bridge again  
Will you hold my hand tonight?

Sometimes I feel deserted by love  
Have I lost my faith that love will ever bring somebody home?  
'Til then  
Will you hold my hand tonight?

And I don't know why  
I am always running to you  
Sam, will you hold my hand?

Sometimes I feel deserted by love  
Have I lost all faith that love will ever bring somebody home?  
'Til then  
Will you hold my hand tonight?  
Will you hold my hand tonight?
