

# Overground

Ruslana

Through the tunnels of time  
To the city of hope,  
Lost in years of going wrong,  
An invisible rope  
Brings you up to the sky,  
Back to where you belong.

Chorus

Welcome to the Overground!  
Let me take you around  
This special place I've found,  
I've saved it for you.  
Welcome to the Overground!  
Let me show you around  
This secret place I've found,  
I've kept it for you.
