## The Dark End Of The Street

**Ry Cooder** 

At the dark end of the street That's where we always meet Hiding in shadows where we don't be long Living in darkness to hide our wrong You and me at the dark end of the street You and me

I know time is gonna take its toll We have to pay for the love we stole It's a sin and we know it's wrong But our love keeps coming on strong Tonight we'll meet at the dark end of the street You and me

They're gonna find us, oh, they'll find us They're gonna find us, they're gonna find us Oooooh, some day You and me at the dark end of the street You and me

And when the daylight hour rolls around And by chance we're both downtown If we should meet, just walk on by Ooooh darling, please don't you cry Tonight we'll meet at the dark end of the street You and me
