

I Gets Money

Ryan Leslie

I'm clean as a fresh pack of white tees
In the summer lean with it mami if you like me
Take my number hits on the radio still stay on my game
Everybody looking for a hot beat know my name
(RLES)

That's who I be Rock Star Overseas
All the girls be flipping out over me
They know me show up like the president
White suit Stunna shades
Hotter than I ever been

I can gets (I get it) money (I get it)
I don't mean to flaunt but
I can gets (I get it) money (I get it)
Call it what you want but
I can gets (I get it) money (I get it)
Haters wanna hate cause
I can gets (I get it) money (I get it)
Haha I'm getting money mayne

It's like a movie yo
The way I get paid
I'm in the studio
You feel the beat bang
It's like a movie yo
The way I get paid

New record in the store go pick a couple up
Came from the bottom but I still stay on my game
Every shorty looking for a fly boy know my name
