Whole Lotta Nothin'

Whole lotta nothing Oh yeah yeah Take me on a spin Do your thing But you can't get in No no Ain't about to give it all up Just because you pull up in your drop-top Gotta do it right Boy you're moving too fast, rewind Oh oh If you wanna slip in my bed Then you want what you can't get I know you got it And you're coming back to mine Just forget it Don't go wasting my time You gotta be a man who's there for me Somebody who will always care for me No doubt in what you've gotta do No class, no pass No room for you If you wanna be my Mr. Right You've gotta know what I need tonight Be mine, can't be no other way No creep, no peep And a whole lotta nothing Take me on a cruise Give me something that I can't refuse Uh oh Takes more than a good time To let you know that you're my kind I know you got it And you're coming back to mine Just forget it Don't go wasting my time You gotta be a man who's there for me Somebody who will always care for me No doubt in what you've gotta do No class, no pass No room for you If you wanna be my Mr. Right You've gotta know what I need tonight Be mine, can't be no other way No creep, no peep And a whole lotta nothing No creep, no peep

No creep, no peep No creep, no peep And a whole lotta nothing Don't go wasting my time

You gotta be a man who's there for me Somebody who will always care for me No doubt in what you've gotta do No class, no pass No room for you If you wanna be my Mr. Right You've gotta know what I need tonight Be mine, can't be no other way No creep, no peep And a whole lotta nothing

You gotta be a man who's there for me Somebody who will always care for me No doubt in what you've gotta do No class, no pass No room for you If you wanna be my Mr. Right You've gotta know what I need tonight Be mine, can't be no other way No creep, no peep And a whole lotta nothing

Don't go wasting my time

You gotta be a man who's there for me Somebody who will always care for me No doubt in what you've gotta do No class, no pass No room for you If you wanna be my Mr. Right You've gotta know what I need tonight Be mine, can't be no other way No creep, no peep And a whole lotta nothing
