## **Give It Up**

Tell me the secrets of your soul Give it up and let go Give it up Give it all I give you it all I couldn't give you more if I tried I give you my love I give you everything I feel inside I give you my life It isn't a lie I tell only the truth I give you my love I think I'd even die with you Surrender your love Surrender your love to me Surrender your love Surrender your love to me Tell me the secrets of your soul Give it up and let go I give you my love Couldn't give you more if I tried I give you it all I give you everything I feel inside I give you my life It isn't a lie I tell only the truth I give you my love I think I'd even die for you Surrender your love Surrender your love to me Surrender your love Surrender your love to me Give it up Give it all Give it up Give it all Give it up Give it all Give it up Give it all
