

Down by the Ocean

Saigon Kick

Down by the ocean
Where The little girl's play
Down by the ocean
Where The little girl's play

Sweet Larissa wants candy
Johnny wants her to stay
Sweet Larissa wants Johnny
But Johnny thinks he's gay

Time's always changing
And I don't know what to say
Same old story
Just a different day

Upstairs, turn right , take a look
Around
Your momma's not at home
Johnny's got a need Johnny's got a
Needle
Johnny feels at home

Time's always changing
And I don't know what to say
Same old story
Just a different day
Said it's just a just a different day

Down by the ocean
Where The little girl's play
Down by the ocean
Where The little girl's play

Sweet Larissa wants candy
Johnny wants her to stay
Sweet Larissa wants Johnny
But Johnny thinks he's gay

Time's always changing
And I don't know what to say
Same old story
Just a different day
