

Back, further back  
Janine, just nineteen  
Joined a pyramid scheme  
Didn't think it mean  
To inflate her estate, left it too late  
Broke her dreams  
Broke her friends  
Who said  
Courtesy is dead  
And now a piece of Vambra  
Is looking like Turana  
She's banking on the fee  
She'll get from ITV  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur, amateur  
Amateur  
Kyle, frozen smile, got himself a mobile  
Got a house, one wrinkle, couldn't get a signal  
Pretty fast, put a mast  
On the neighboring flats  
A little girl called Jill  
Will become very ill  
But that is years away  
So who gives a hey  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur, amateur  
Amateur  
Five star review, who bought a new LP  
Had to agree with the critic  
Really dug my lyric  
Tolerate all the people you hate  
When they walk all over you  
Ah, baby, what you gonna do  
Get a Corinthian view  
Wear the pink and blue  
Ooh  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur  
Amateur  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur  
Amateur  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur  
Amateur  
Rethink, refrain  
Don't pull a Jill, Jane  
Amateur, amateur
