## **Good Morning Heartache**

Good morning heartache you ole gloomy sight Good morning heartache thought we said goodbye last night I turned and tossed until it seemed you were gone Now here you are with the dawn Wish I'd forget you but you're here to stay It seems I met you when my love went away Now everyday I start by daying to you Good morning heartache, what's new

Stop haunting me now
can't shake you, know how
just leave me alone
I've got the Monday blues
straight through Sunday blues

Good morning heartache Here we go again Good morning heartache you're the one who knew me when Might as well get used to you hanging around Good morning heartache, sit down
