

## Lover Girl

Sam Cooke

I don't know why  
but I'm feeling so sad  
I long to try something  
I've never had  
Never had no kissin', o  
what I've been missing  
Lover girl, o where can you be

The night is cold  
and I'm so all alone  
I'd give my soul  
just to call my own  
got a moon above me  
but no one to love  
Lover girl, o where can you be

I've heard it said  
that the thrill of romance  
Can be like a heavenly dream  
I go to bed with a pruger?  
that you make love to me  
Strange as it seems  
someday we'll meet  
and you dry all my tears  
then whisper sweet little things in my ear  
Hugging and kissing  
oh what we've been missing  
Lover girl, o where can you be  
Lover girl, o where can you be
