

Wish Upon A Star

Samantha Mumba

Remember when I said I won't miss you
The truth is that I do
I never stopped thinking about you (bout you)

We are meant together the two of us are bound
Now it seems like forever I can't get you off my mind

If I could wish upon a star
Then I would hold you in my arms
And I know we could love once again

If I could turn the hands of time
Then you would love me still be mine
Baby I would be right where you are
If I could wish upon a star

It's obvious and everyone one can see
That baby you and I are truly meant to be
But nothing turns out right
If only I could make you realize
If only time could give us just another chance
I'll prove it all to you

If I could wish upon a star
If I could turn the hands of time
Then I'll be in your arms again

If I could wish upon a star
Then I would hold you in my arms
And I know we could love once again

If could turn the hands of time
Then you would love me still be mine
Baby I would be right where you are
If I could wish upon a star

If I could wish upon a star
